Year 6 Newsletter Autumn Term 2018

WELCOME BACK TO SCHOOL!

Welcome back from your summer holidays. I have enjoyed getting to know students and families and seeing some familiar faces at the end of the school day. Year 6 is going to be a busy, but exciting and fun-filled time. The students have already made such a wonderful start to the term, looking extremely smart and impressing us with their zest for learning and their enthusiasm for reading, topic work and art. I can see that they are going to be ideal role models and a hardworking bunch this year!

Well done year 6 - keep it up!

HOMEWORK

Maths homework will be given out every Friday to be handed in on Monday. Spellings will be handed out on Friday to be learned over the week and tested on Friday morning. Reading comprehension homework will be sent home on Monday due in Friday. Year 6 will also receive a 'Homework Project Booklet' to work through alongside weekly maths and literacy tasks. Homework club will be offered to help pupils complete their homework with support.

ENRICHMENT

*25.09.18 – Y6 Safety Zone visit
25.09.18 – School Photographer
26.09.18 – 9:00am Y6 SAT parent meeting

15.11.18 – Houses of Parliament visit
20/21.11.18 – Open Evening
PE – THURSDAY*

Look out for details of this terms educational visit to London!

PARENTS EVENING

*Tuesday 20th and
Wednesday 21st November.
Please ensure you book a time to discuss your child's progress this term.*

I look forward to sharing your child's work with you and discussing how we can best support pupils to achieve their potential in their final year!

Y6 JOB VACANCIES

Being in year 6 brings with it plenty of responsibilities and new opportunities. Look out for the job vacancies board in the hall – pupils can apply and interview for responsibilities around school. Please support your child with writing a detailed and convincing application form in order to secure an interview!

STAFF

Year 6W will be taught by Mrs Weatherall, class teacher and Assistant Head, and Mr Corden, teaching assistant.

Mr Cobbe, Deputy Head, will teach on Thursday each week as well as teaching maths Mon-Wed weekly.

SPORT AND PE

This year, Year 6 will experience a range of PE activities including circuit training, ice-skating, athletics, basketball and a range of after school clubs. Pupils can join teams and take part in matches and tournaments. Being part of a school team requires dedication. There will be a team practice each week as well as matches. Please ensure your child has kit in school all week in preparation for all sport activities.

READING *Being a fluent reader is essential this year! Year 6 have been encouraged to select quality texts to read at school and at home. Well done to those students who have already been rewarded for plenty of reading at home. Keep it up! Please sign your child's diary to show you have heard them read weekly.*

If your child manages to get their diary signed at least 4 times a week by a parent or carer, they will achieve a class reward! Our class reading race is displayed in the reading corner where children's dedication to reading at home will be shared and rewarded.

If you have any queries, please do not hesitate to see me at the end of the school day.

***Thank you for your continued support
Mrs K Weatherall***
