

Lights, Camera, Action!

ATTENDANCE

Thank you very much for your continued support in this area. **Please remember that school starts at 8:50am and your child needs to be on the playground for 8:45am.** Afternoon lessons finish at 3:10pm and then children will be dismissed.

HOMEWORK

This will be given on Fridays to be handed in by the following Wednesday. Homework will often be in Literacy and Maths to support the work in lesson time.

SPELLINGS:

These are given to your child on a Friday and they are **tested on the following Friday.**

TIMES TABLES

These are really important for your child to be learning throughout the year and they will be tested regularly. Please continue to support your child in these areas and ensure they are completing all work given.

DT/SCIENCE

We will be making a mechanical toy as part of our science and DT this term and I would like each child to have a shoebox in school to use for this project by Friday 20th January. If you have any at home then please bring them into school and thank you for all those I have already received.

READING

Please continue to help your child with their reading by **listening to them at home** - at least 3 times a week - and asking them questions about what they are reading. Also, please continue to sign their diaries.

P.E

P.E is every Thursday so please make sure your child has their **full P.E kit to stay in school for this half-term** (t-shirt, shorts or trousers, trainers or plimsols and socks for the girls to keep in their P.E kits). Sometimes we will have extra P.E sessions, especially before the Easter Run. Please also make sure footwear is the correct size.

Welbeck Newsletter Year 5M Spring Term 2017

Welcome back!

This half-term our topic is Lights, Camera, Action which will be part of our Literacy, Art, DT and ICT.

Look on the school website and our new twitter account for updates on your child's activities in class and school information.

If you have any questions or concerns then please do not hesitate to speak to me.

Thank you for your support,

Mrs R McConnochie
Class Teacher
