Member of staff/class visited

Objectives of the visit including links to school development plan

- Enjoyment of school and learning post-lockdown

Strengths identified

- All children are very happy to be back in school post-lockdown.
- They are very happy to be back learning in the classroom with their teachers and being able to socialise and play with their friends again in the playground.
- Children have a good understanding of how teachers support them in their learning.
- Children understand how vocabulary and English/maths displays assist them in their learning.

Areas for development and issues to follow up further

- Children are looking forward to guidance changing so that they are no longer in bubbles and being able to sit in groups again in the classroom.
- Children to share the input they have made to school development areas (dinner menu, learning walks etc.)

Action to be taken following report back to governing body
including timescales for reconsideration by governors if appropriate

- Summer Pupil Voice visit to meet with School Council to review the year and the impact the School Council has had on pupil learning, play and health.

Evaluation of visit (include impact on attainment, where is the evidence?)
