

# CREATIVE ARTS ENRICHMENT

## 2021/2022

Throughout the year, all children work with our team of Specialist teachers learning Art, Craft, Design, Music, Dance and Movement and Choral skills. Central to our creative vision is an emphasis on sharing and performance and during each academic year children will showcase their performance and creative talents as part of a production, a dance performance, an art exhibition or a choral concert.

### WE OFFER ALL OUR CHILDREN:

- Weekly music and singing lessons.
- Weekly art and design lessons.
- Opportunities to take part in performances and exhibit their own art work.
- Opportunities to take part in dance and choir clubs.
