## Year 6 Newsletter Autumn Term 2021

### WELCOME BACK TO SCHOOL!

Welcome back from your summer holidays. I have enjoyed getting to know new students and families as well as seeing lots of familiar faces at the end of the school day. Year 6 is going to be a busy, but exciting and fun-filled time. The students have already made such a wonderful start to the term, looking extremely smart and impressing us with their zest for learning and their enthusiasm for reading, topic work and art. I can see that they are going to be ideal role models and a hardworking bunch this year!

### SPORT AND PE

We are excited to welcome our new PE coach, Mr Arnold.

This year, Year 6 will experience a range of PE activities (this half term will be Athletics) and a range of after school clubs. Pupils will have opportunities to join teams and take part in matches and tournaments. Being part of a school team requires dedication. There will be a team practice each week as well as matches. Please ensure your child has kit in school all week in preparation for all sport activities.

READING Being a fluent reader is essential this year! Year 6 have been encouraged to select quality texts to read at school and at home. Well done to those students who have already been rewarded for plenty of reading at home. Keep it up! Please sign your child's diary to show you have heard them read weekly.

If your child manages to get their diary signed at least 4 times a week by a parent or carer, they will achieve a class reward! Our class reading race is displayed in the reading corner where children's dedication to reading at home will be shared and rewarded.

If you have any queries, please do not hesitate to see me at the end of the school day.

Thank you for your continued support  
Mrs K Weatherall
