Remote Education Policy for Welbeck Primary School

September 2021

1. Statement of School Philosophy

Welbeck Primary has always strived to be creative, innovative and support our parents/children in the best way possible to make learning purposeful and holistic. Our strategy for remote learning continues this ethos.

2. Aims

This Remote Education Policy aims to:

➢ Ensure consistency in the approach to remote learning for all pupils (inc SEND) who are not in school through use of quality Online and offline resources and teaching videos

➢ Provide clear expectations members of the school community with regards to delivery high quality interactive remote learning

➢ Include continuous delivery of the school curriculum, as well as supporting health and well-being.

➢ Consider continued education for staff and parents (e.g. CPD and Meet the Teacher)

➢ Support effective communication between the school and families and support attendance

3 .Who is this policy applicable to?

➢ A child is absent because they are awaiting test results and the household is required to self-isolate. The rest of their school bubble are attending school and being taught as normal.

➢ A child's whole bubble is not permitted to attend school because they, or another member of their bubble, have tested positive for Covid-19.

Remote learning will be shared with families when they are absent due to Covid related reasons.

4. Content and Tools to Deliver This Remote Education Plan

Resources to deliver this Remote Education Plan include:

- Purple Mash
- Use of Recorded video for instructional videos and assemblies
- Phone calls home
- Printed learning packs
- Physical materials such as story books and writing tools
- Use of BBC Bitesize, Oak Academy, Education City

5. Home and School Partnership

Welbeck Primary School is committed to working in close partnership with families and recognises each family is unique and because of this remote learning will look different for different families in order to suit their individual needs.

Where possible, it is beneficial for young people to maintain a regular and familiar routine. Welbeck Primary School would recommend that each 'school day' maintains structure.

We would encourage parents to support their children's work, including finding an appropriate place to work and, to the best of their ability, support pupils with work encouraging them to work with good levels of concentration.

Every effort will be made by staff to ensure that work is set promptly. Should accessing work be an issue, parents should contact school promptly and alternative solutions may be available. These will be discussed on case-to-case basis.

All children follow the school's online safety policy which includes e-safety rules and this applies when children are working on computers at home.

6. Roles and responsibilities
