Summer Term 2022

Dear Parents/Carers,

It was lovely to see so many of you at Parents Evening. I can't believe that the children are now in their last term this year! It's an extremely hardworking term ahead to make sure we have covered all topics and to ensure the Y6 children are prepared for their SATS beginning on May 9th and their transition to secondary school. We have lots of exciting and enjoyable activities planned for the children to enjoy towards the end of term to reward their hard work and achievements this year!

Twitter and school website:

Please keep looking at our **Twitter feed** and if you have not signed up please sign up as soon as you can. @WelbeckPS

E-Safety: Please monitor the apps that your child is using. We are aware that some children are using apps including: Snapchat, Instagram and Tik Tok. Children should be **13** to use the apps and anyone under the age of **18** must have approval of a parent. Any issues will be dealt with as a safeguarding matter in school.

SATS preparation (Y6):

Year 6 staff will be delivering after-school booster club on Thursdays for all pupils to attend. Pupils will receive **3 sessions** in their main target area to support their revision and progress before test week. Please ensure your child **attends all three sessions**. During SATs week we will also offer a Y6 SATs breakfast club opening at 8.30am. Please look out for letters regarding SATs over the coming weeks

Our main topics this term are:

'Ancient History'
and
'Central and South Americas!'

The children are very enthusiastic about their new topic and are really enjoying learning about Ancient Egypt, Ancient Greece and the Islamic civilisation.

Homework: Spellings and homework are sent home on **Fridays** to be tested/completed by the following **Friday**. I look forward to some more brilliant spelling scores! There are key words in the middle of the children's diaries if they're up for an extra challenge!

It would be fantastic if your child could also continue to practise their times tables, as fluency will really help all areas of their maths.

Reading at home: Thank you for all your input with reading at home and helping with homework. Everyone's target is to achieve **4 adult signatures** per week. This will help to improve spellings and grammar. Please **sign your child's reading diary**, as rewards are given each week.

Children who achieve 4 signatures each week will be receiving a magnificent treat at the end of the half-term 😊
