Welcome back from your Easter holidays! Our new topic for this term is **The Romans**. We will be exploring this in topic lessons and through our English and art lessons. In RE we are exploring Islam. In Computing we are continuing with coding and starting to use Microbits. Other topics this term will be **States of Matter** and **The Journey of a River**. We will also have our **Creative Arts week** in May this year.

## Shield Making

Keep a look out for a letter about shield making as we will be inviting parents/carers into school to help!

## Water Bottles & Sun Hats

Please make sure your child has a water bottle in school and brings a sun hat on sunny day.

## Times Tables

In Year 3, children need to learn their x3 x4 x8 times tables, more if possible! **Year 4s** need to know **ALL** their times tables by the end of the year (they are tested at school every Thursday) and they also have a **Times Tables test in June**. We want them to be as confident as possible, so please help them practise at home.

They all have a log on to: [WWW.ttrockstars.com](http://WWW.ttrockstars.com)

Please continue to support your child with their homework and spellings.

Your child will be coming home with their homework on a Friday to be returned after the weekend by **Thursday** morning. The homework will vary depending on what work we are doing in class. We appreciate all your support in this.

## Spellings

Children will be given spellings in their reading diaries and will be tested on a Friday. Please help them to learn and practise these.

## Reading Corner

Thank you for all your help with reading at home. Please keep this up by **reading with your child at least 4 times a week and sign their diary.** This helps all aspects of your child's learning.
