

Our fantastic TOPIC this half term is **Castles, Dungeons & Dragons**. In our **history** lessons we will learn about who built the first castles in the UK and explore castle features. We will find out about the different people who lived and worked in castles and enjoy learning about castle entertainment and food in medieval times.

In our **English** lessons we will write non-fiction texts about castle life and write exciting dragon descriptions. In **art** we will develop our drawing skills, learning how to draw knights and castles. In **DT** we will design and make helmets and a catapult.

After half term our topic will be **'Weather Experts'**
