#### . .

This half term our topic is 'Arctic Adventures'.

We will be learning all about different arctic animals, weather and the environment in the arctic and where the arctic is and who lives there!

In English we will be writing rhyming stories and riddles about arctic animals. In Art we will develop our drawing and painting skills, recreating the northern lights!

After half term our topic will be 'We Are Britain'.

## <u>PE</u>

Our class will continue having PE on **Tuesdays** and **Fridays** every week.

Please make sure that children have a **labelled PE bag in** school with their kit inside.

### Screen Time

It is important that your children are not spending too much time on their screens, including any phones, ipads etc. Too much spent looking at screens may damage your children's eye sight and will not support their development.

We encourage children to spend time playing outside, which will support their mental and physical development.

The recommended screen time(including TV) is 1 hour per day.

#### **Spellings and Targets**

New targets for the Spring term will be set for your child and you will be able to find these in your child's diary.

Please support children at home to achieve these targets.

Your children will receive new spellings and be tested on their spellings on a Friday.
