

### Spellings and targets

Your children will continue to receive spellings, which will be tested every **Friday**. Please continue supporting them in practicing these.

New targets for the Summer term will be set for your child and you will be able to find these in your child's diary.

### Attendance and Punctuality

It is important for all children to attend school every day. Learning begins promptly at **8:45am**. Please ensure your child is on the yard for 8:40am.

School finishes at **3:15pm**.

### Keeping Fit!

Our children will now have PE on a Friday afternoon.

Please make sure that children have a **labelled PE bag in school with their kit inside**.

For the first half term we will be going swimming every **Wednesday**. Please ensure your child has a full swimming kit including a towel. Please see the poster on our classroom door for swimming outfit guidance.

## Year 1C Newsletter – Summer term 2024

As always, should you wish to discuss any queries, concerns, or questions, please do not hesitate to speak to me at the end of the day when the children have been collected.

Miss Cooper

### Our learning!

For the first half term our topic will be 'Magnificent Monarchs'.

In our **history** lessons we will be learning all about different monarchs, kings, and queens throughout British history and what their role is. In our **DT** lessons we will be making our very own royal crown and in **art** we will draw royal portraits. Our **English** lessons will include written descriptions of a nonconventional princess as well as informative facts files on our current King.

After half term break, we will be learning all about minibeasts!

### Reading at home

Thank you for your continued support with reading with your child at home. This has a MASSIVE positive impact on your children's learning and development!

Please continue to support your child in reading **4 times every week** to ensure they receive our reading treat.

### Screens

The recommended screen time (including TV) is **1 hour per day**. Please ensure your child is not accessing inappropriate content for their age.

Don't forget to check our schools X (formally twitter) page to see what activities your child gets up to in class each week! @WelbeckPS
