

Attendance

Punctuality is very important for your child at school. In the morning we start straight away with handwriting and SPaG, so please help your child not to miss out on this very important start to their day.

Swimming is every Thursday and P.E is every Monday and Thursday. Please make sure your child has a **full P.E kit** (t-shirt, shorts or trousers, trainers or plimsoles) and a full swimming kit- Girls will need a one piece swimming costume, not a bikini. Boys will need trunks or short swimming trunks with no pockets. Earrings **must** be removed for swimming: it would help if these are left at home on swimming days. If your child needs to wear goggles, please give written permission to the child to bring in to school.

Year 5C

Summer 2024

Dear Parents/Carers,

Welcome back to summer 1!

It has been lovely to see children enjoying eating lunches on picnic benches and enjoying more outdoor learning. Year 5 have made a brilliant start to the term; they are really enjoying our new topic.

Our topics this term are Great Expeditions and Ancient Civilisations. We will be developing our geographical skills through exciting geography sessions, covering everything from Shackleton's epic journey of survival as well as developing navigational and map reading skills through orienteering.

We will reading and writing various different texts in our English sessions and getting very creative with paint and oil pastels in our art lessons.

You can now sign up for after school clubs on Arbor. This is a wonderful opportunity to get outdoors and get healthy with our sports coaches.

- Netball- Thursday

Homework and Spellings

Homework will be given out on a Thursday to be handed in the following Thursday. This will be related to children's work in class so please support them in this work.

Homework club is after school every Thursday.

Spellings will be given out on a Friday to be tested the following Friday.

Reading

Please keep this up by **reading with your child at least 4 times a week**. This helps **all** aspects of your child's learning. Children will have a reading reward to look forward to at the end of the term.
