

All About Me!

Nursery Autumn Term Newsletter 2024

Dear Parents and Carers,

Welcome back! I would like to say a warm welcome to all our new families joining Welbeck Nursery this term. The children have settled back into Nursery life brilliantly and are enjoying the many activities and lessons we have to offer them.

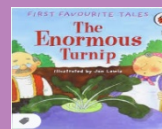

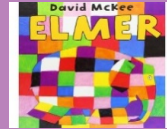

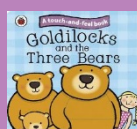

This half term our topic is called 'All About Me.' We will be learning about similarities and differences, what makes us special, our family, friends and homes. Each week we will be thinking about a **sound, colour, shape, number** and **rhyme**.

Thank you for your continued support,

Miss Riley - Nursery Teacher

Please set out and begin your child's bedtime routine to allow enough time for this. The recommended bedtime for Nursery aged children is 7pm.

Teeth brushing

Tooth decay in 3-5 year olds at highest rate yet

Nursery are taking part in a daily 'Teeth Brushing' scheme. We will be teaching children how to brush their teeth every day to prevent decay and keeps their mouths, teeth and gums healthy. Please note this is in addition to the twice daily brushing you will do with your child at home.

Please ensure you have completed and returned the consent form to a member of Nursery staff.
