

Year 2/1G Spring term newsletter!

Welcome back and Happy New Year! Hope you all have had a lovely Christmas break and feel ready for the new term ahead!

Our fantastic TOPICS for this term are **Super Healthy Humans** and **From Farm to Fork**.

These are science based topics that will focus on learning how to keep our bodies healthy, the importance of hygiene and what it takes for a human body to survive. We will also be naming body parts and organs and learning about their function. In our Farm to Fork topic, we will be learning about how food ends up in our supermarkets, to our homes and on our plates. We will use our wonderful Forest garden to harvest and plant crops ready to use for yummy cooking recipes throughout the year.

In **English**, we will be looking at instruction texts, information texts and poetry.

In **Maths** we will be learning about money - recognising coins, making amounts and finding the right amount of change along with multiplication and division within 2x, 10x, 5x and 3x.

In **Art** we will look at close ups and the use of shading to make it look 3 dimensional. We will also be studying the artist **Giuseppe Arcimboldo**, who uses fruit to make portraits.

The school day finishes at 3:15pm.

Children can attend school with coughs and sneezes.

Bed time routine.

It is **SO** important for your child to have a good nights sleep before school.

Bedtime for this age should be between **7-8 pm**.

They need at least 10hrs sleep. If your child goes to sleep past 8, they will be tired for school.

It is advised no screen time before bed.

If you have any questions or concerns then please do not hesitate to speak to me at the end of the day.
