

# Welcome to the Summer Term!

## Year 4 2025

Welcome back from your Easter holidays! Once again, we have a very hardworking and exciting term ahead. The children are already looking forward to our new topic **The Romans** and are eager to find out more about Roman life. In RE, we are exploring Christianity. In Computing we are learning about programming using Scratch. We are continuing with our Brass lessons on Fridays. Other topics this term will be **The Journey of a River** and **States of Matter**.

Thank you for your continued support. If you have any questions or concerns then please do not hesitate to speak to us.

**Ms Wardle**, Year 4 Class Teacher  
and **Miss Lovell**, Year 4 Class TA

### Attendance

Thank you for all of your support in this area. Please remember that school is open from 8:40am and the register will be taken at 8.45am.

The end of the school day is 3:15pm - please pick up promptly.

### Times Tables

Year 4s need to know **ALL** their times tables by the end of the year and will have a National Tables Test in June. We want the children to be as confident as possible, so please encourage them to work daily on speed and accuracy at home.

They all have a log on to: [www.ttrockstars.com](http://www.ttrockstars.com) and [talkingtimetables.uk](http://talkingtimetables.uk) is also a great site.

### Homework

Please continue to support your child with their homework and spellings.

Your child will be coming home with their homework on a Thursday to be returned after the weekend by **Wednesday** morning. The homework will vary depending on what work we are covering in class. We appreciate your support with this.

### Spellings

Children will be given spellings in their reading diaries and will be tested on a Friday. Please help them to learn and practise these.

### Reading Corner

Thank you for your help with reading at home. Please read with your child **at least 4 times a week** and remember to sign their reading diary so they can receive a reading reward each week! This helps all aspects of your child's learning. Diaries are checked each Monday. The reading treat is a trip to the brand new Victoria Embankment paddling pool!

## Water Bottles & Sun Hats

Please make sure your child has a water bottle in school every day and that they bring a labelled sun hat on sunny days.

### Clubs

This half term, we have photography club. If your child is attending please collect them promptly from the classroom door at 4pm.

### Internet safety

It has been brought to our attention that some children are using apps and accessing content that is not age appropriate. Please try to monitor screen time and ensure that your child is accessing the internet safely. Please remove screens from bedrooms at bedtime to ensure a good night's sleep ready for learning.

### P.E

We have P.E on **Thursdays**. Please make sure your child has their full P.E kit in school all week for the whole half term for any extra PE lessons.
