Member of staff visited: KW, RC, NC

Objectives of the visit including links to school development plan:

To review questions resulting from visit 06/03/25

- Review new PSHE policy – is it finalised?
- Are the bespoke vision statements completed?
- Has the coverage map been introduced to teacher's planning?
- Is Jigsaw programme being used to fill in any gaps?
- What has been designed for topics originally covered by DARE?

Strengths identified:

- PSHE Policy has been finalised and put on Governor hub for Governors to read.
- A national scheme, Jigsaw, has been bought for school use to ensure coverage, particularly in regard to new statutory guidelines for RSE.
- This new scheme and our existing scheme is to be implemented from Sept 2026 and included in long term and medium term planning.
- Bespoke vision statements, Welbeck's coverage map and Jigsaw Overview can all be found at the appendix of the RSHE Policy found on the school website and are available for parents to view.
- Topics originally covered by DARE have been reviewed and will be addressed by Jigsaw scheme.

Action by governors:

- Governors to read through PSHE policy.
- Governors to adopt policy at next PPC meeting.
- GD to familiarise herself with the new scheme in Sept. to ensure coverage.

Evaluation of visit:

Welbeck's bespoke PSHE curriculum is fully embedded within the life of the school and plays a vital role in developing all pupils to become successful in later life. It is specifically designed to meet the context of our pupils and their community.
